

Orangevale Recreation & Park District

Life Jacket Policy

- Only Coast Guard Approved life jackets are allowed in the facility. Life jackets will not be permitted in the deep end of the pool or on the slide.
- Life Jackets must be a proper fit. If they are improperly fitting a lifeguard will ask the parent to remove it or tighten it to fit the child properly.
- If a child is wearing a life vest they must be accompanied by a responsible adult (18+) in the water within an arm's length.
- Water wings, Learn-to-swim life jackets and non-coastguard approved flotation devices can not be used as a flotation device.
- To check if a flotation device is Coast Guard Approved, check the inside of the device. It will be clearly marked on the device if it is approved. There will be a clear approval number listed. If it is not approved by the Coast Guard & fitted properly, they will not be able to use it in the pool.
- If you fail to comply with the policy you will be asked to leave the facility.

Anything deemed unfit by a lifeguard will not be allowed in the pool.
